

Elementary Sample Daily Schedule

 _____	Wake Up! Complete morning routines and eat breakfast.
 _____	Check-in! Review daily assignments. Check to see if your teacher is offering a morning meeting or team building activity today.
 _____	Work on a Language Arts learning task.
 _____	Take a brain break! Go play! Step away from your work space and close your device.
 _____	Work on a Math learning task.
 _____	Take a brain break! Go play! Step away from your work space and close your device.
 _____	Work on a Science or Social Studies learning task.
 _____	Check any new teacher messages and schedule for tomorrow. Great job! You are done for the day! Relax!
 _____	Need more? Complete an optional task for P.E., Art, Music or an extension activity. Log into Clever any time to access free ed resources such as RedBird, SmartyAnts or Achieve3000.

Note: Order of some tasks may vary according to classroom schedule or student preference. Asking your child to help you arrange their schedule according to their preference is a great way to empower your learner. Some teachers may provide a schedule as well.
